Company History

- 1992** Start-up of the company.
- 1998** Commenced application in paper industry.
- 2002** Started application in steel plant components.
- 2004** Company status changed from partnership firm to Pvt. Ltd. Co.
Obtained ISO 9001-2008 certification.
- 2005** Commenced coatings for components in Chemical and Fertilizer Plants.
- 2006** Signed 10 years Technology Transfer agreement with Tocalo Co. Japan
Installed India's biggest Accoustic Spray Booth for Robotic Coating
(13 Mtr. x 4.5 Mtr. x 4.3 Mtr)
- 2008** Received First Order for TSA Coating in Absorber Tank From L&T- Hazira.
- 2009** Received First order In-Situ Coating in OHCU Fractinator Column.
Received first Order for TSA Coating on DBI Reactor From
Godrej & Boyce Mfg.Co.Ltd.- Mumbai
- 2010** Establishment of Unit-II. (Built up shed area 25000 Sq. ft.).
- 2011** Started manufacturing steam turbine components with TS coating.
- 2013** Company Name Changed to "ATS TECHNO Pvt. Ltd.
Received Order for In-Situ Coating in AVU & Coker Column
From IOCL - Barauni.
Received Zink Coating Order for Nuclear Component From
L&T-Hazira.
- 2014** Received Order for In-Situ Coating in DHDT Column From
IOCL - Panipat.
Received First Order for inconel-625 Welding Inside The
Pipe From RIL- Jamnagar.
- 2014 (Dec)** Proposed Establishment of Advance Test Lab With Facility
for Testing Micro Hardness, Micro Structure, Porosity & Bond Strength.

Gate Valve & Seat Ring

Valve Cone

Piston Rod With TC Coating

TC Coated Plunger

Repaired Bearing Journal of Screw Shaft

Ceramic Coated Sleeve

Robotic Coating

ATS

TC Coating on Gate Valve

TC Coating on Ball Valve

TC Coating on Piston Rod

TC Coating on Impeller

TC Coating on Bearing Journal of Rotor

Rotor

Insitu Coating

Prepared Mock up Sample

SS-410 Coating Inside the OHCU Coloum

Test Piece on Coating Area

Sealant Application

SS-410 Coating on Heat Exchanger Cover

Inspection on Coated Area

SS Coating Inside Vessel

Fabricated Tank With SS Coating

Insitu Grinding on Flaker Drum

SS Coating on Screw

TC Coated Cutter Tension Roll

Repaired Module Shaft
